

Large Animal Clippers

Since 1965, Heiniger has set the standard for quality, precision and reliability in animal shearing and clipping equipment.

XPLOERPRO Clipper

This cordless clipper is equipped with two lithium-ion batteries, allowing for a two-hour clipping time and one-and-half-hour battery charge time. The charging unit features an LED display indicating the current charge level of the battery. There's a charge level indicator integrated into the battery as well. XPLOERPRO is powerful, ergonomic, and quiet. This clipper has 2-speed levels with up to 2900 double strokes per minute. The patented Clipping Pressure Display ensures a more precise clipping and helps extend the clippers life. Blades are interchangeable, making this clipper ideal for cattle and horses. Clipper comes complete with a durable hard case, recharging stand, 2 Li-Ion batteries, 23-21 Heiniger blade set, screwdriver, brush, blade oil and instruction manual. 100-240 VAC, 50-60 HZ.
