

Detail Clippers

Since 1965, Heiniger has set the standard for quality, precision and reliability in animal shearing and clipping equipment.

OPAL Clipper

This extremely quiet cordless clipper is impressively powerful. OPAL Clipper runs at two speeds – 3,100 double strokes per minute in high and 2,600 double strokes in low – allowing the clipper to run smoothly through thick fur and hair. The latest lithium-ion battery technology provides cordless clipping for four hours, with one-hour recharge time. This small, lightweight clipper works effortlessly for grooming and veterinary applications. Clipper comes complete with recharging stand, two Li-Ion batteries, #10 A5-type Heiniger blade set, brush, blade oil and instruction manual. Clipper weight with battery is 14.5 oz.

SAPHIR Clippers

These powerful and ergonomic clippers are designed for all-day, heavy-duty use and are ideal for detailed trimming. The cordless clippers feature a high-performance battery, and the clippers will run continuously for up to 90-minutes with a fully charged battery and recharge in 60-minutes. The solid, durable charger unit comes with a separate charging bay for the second battery pack. Cordless clippers come with two Li-Ion batteries and a recharging stand. Single-speed rotary motor runs at 2,650 double strokes per minute. All SAPHIR Clippers come complete with a durable hard case, #10 A5-type Heiniger blade set, brush, blade oil and instruction manual.
